**Countingwell Math Premier League**

**Dear Parents,**

Greetings for the day!

Counting Math Premier League is a Math Skill tournament for the students studying in grades 6-7-8. Schools can participate over a rigorous 5 weeks of exciting Math to demonstrate the prowess in Math of their students.

Starting from 15 August, 2021 students will be required to complete a weekly Maths course, take a weekly test on Sunday to score runs and increase a chance to qualify for MPL Finals on 19<sup>th</sup> September, 2021.

Students can have a weekly chance to win weekly cash prizes, the bumper cash prizes and the Countingwell premium subscriptions.

MPL will also host the inter-school leader board whereby schools will have a chance to win the Countingwell Ramanujan Math Trophy 2021 and cash prizes.

**To participate, students must do the following:**

1. Download the Countingwell app on their mobile phones and register themselves. They can download the app from <https://t2m3p.app.link/direct-install>
2. Once they download and login to the app, they will see a card that says Maths Premier League – clicking on this card will help them with more details.
3. The format of the event is:
  - a. First complete a 1-week course. The first course starts from August 15<sup>th</sup>.
  - b. Then take a test right after that. The schedule of the tests will be available on the app.
  - c. They have to take four such courses and tests before the finale.
  - d. The courses help them prepare for the test.
  - e. The Grand Finale is on Sep 19<sup>th</sup>.

**Times NIE**

**Dear Parents,**

Greetings for the day!

As we all know that newspaper has immense significance in our lives. From gaining information to solving puzzles, laughing at the jokes and cartoons to sharing our emotions with an event, we find it as an important element of the day.

It is the strongest tool of mass communication in a progressive society and as the future world citizens, we want our students to be well aware of the happenings around them, get a global perspective and develop skills that will give them an edge over the rest.

With this view, we have collaborated with the Times NIE which is an interactive multimedia forum platform for students and teachers to foster the habit of reading and stay ahead. It aims at making 'Learning Fun' and introduces concepts that help individual growth and development beyond school curriculum.

Empowering students with new cutting-edge knowledge through various educative and informative activities is a commitment and tradition of Times NIE. The programme serves as a catalyst of education and interaction, as well as a window into the minds of the quintessential Indian youth. On a significant scale Times NIE comprises diverse interesting activities and events that boost the child's passion for learning, while revealing hidden talent.

**E - newspaper will soon be shared in your class – groups.**
