Dear Parents,

Greetings for the day!

A warm greeting to all our parents!! With immense gratitude we would like to thank all our parents for your support and cooperation that you gave us during this pandemic and thank you to all those who have paid their ward's fees on time.

Our teachers have worked diligently to deliver the best to your ward even during this pandemic.

We would like to inform you that there will be delay in starting the online academic session 2021-2022, as there are many parents who have not yet cleared their dues, we had given them the liberty to pay the school fees as monthly installments. Yet the school has not recovered a huge amount of fees which is a matter of great concern for our smooth functioning.

The PTA also has been time and again alerted about our concerns.

Hence we will inform you about the recommencement of the new academic online sessions in the days to come.

Warm regards,

Fee Circular: Nursery to Grade XI

Dear Parents,

Greetings for the day!

We hope you and your families are safe and in good health. As an educational institute the well-being of our students and their families is of paramount importance and as we grapple with the present unprecedented circumstances, we are striving to persevere with quality education through the online-mode of teaching – learning process.

It has indeed been turbulent times since the past one year and more, of the onset of the COVID-19 Pandemic which has wreaked the human population world-wide and economies globally. India was and is not an exception to this global pandemic, and our people have been privy to the worst-case scenario, which is witnessed once in a century and India has been badly affected by the COVID-19 Pandemic.

The Faculty and Staff of DPVN, would like to take this opportunity, to thank all Parents for their continued trust placed on DPVN School for their child's education. Your child has been given an education aimed at all-round development, with the continuous efforts of the teaching staff striving for excellence in education and teaching pedagogy. Along with bringing up children with good values and culture along with quality education is the mutual responsibility of the School and Parents, as Partners in Education.

In lieu of the above-mentioned unprecedented circumstances, Dnyanpushpa Vidya Niketan (hereafter 'DPVN') School, hitherto had taken a compassionate view and on the basis of principles of natural justice, offered to the Parents, the liberty of payment of fee(s) on a monthly instalment basis, as an exceptional opportunity, as we are aware of the hardships the Parents would have faced during these trying times of the COVID – 19 Pandemic.

However, it is sadly and unfortunately noted that, despite several reminder(s), sent by us from time to time, for payment of outstanding fee(s), many of the Parents have not yet paid the outstanding fees in total and in some cases no fee(s) paid at all, for the Academic Year of 2020-21.

Notwithstanding the above, it may well be appreciated that the DPVN School has strived to get your child quality education, without any compromise. On the contrary, DPVN School has gone to extra length(s) to ensure that your child obtains education of the highest quality even under the online-teaching mode, investing in high-end back up services, to help the teaching faculty in terms of back-end support, for seamless online teaching and with immersion programs and skills development programs, to equip the teaching faculty with the best skills of online-teaching methods and methodology, at the DPVN School's own costs and expenses.

Given the above, the DPVN School solicits the bear minimum costs of the fee(s) of running the Institute, which was determined much before the pandemic period. There are quintessential basic running and recurring costs, the DPVN School requires to maintain, sustain and keep the infrastructure in good and hygienic condition, in anticipation of the commencement of the School. Some of these are mentioned hereunder:

- A. Regular Payment of the Salaries of Teaching and Non-teaching staff of DPVN School.
- B. Maintenance of DPVN's School infrastructure, even during the Pandemic period including but not limited to, the Computer Laboratories, Science Laboratories and all the associated material / demonstrative models / chemical(s) / physical teaching aides etc.
- C. Supporting Evaluation processes for educational purposes.
- D. Expenses incurred towards Faculty Development programmes, Orientation Programmes etc. for Teachers.
- E. DPVN School's associated expenditure and costs for operations and maintenance, inter alia expenses towards the bear minimum, maintenance and utility cost(s) and payment(s), thereof, for sustaining the DPVN School Infrastructure.

In view of the above, we hereby offer this Final Opportunity to Parents who have yet to pay the outstanding fee(s), with the request, to clear all outstanding fee payment(s) for the Academic Year 2020-21, which will enable the issuance of the Progress Report of your Ward and thus enabling him/her to attend the on-going online live classes and further enabling your ward to attend physical school, as and when the same is permitted to commence.
