e-Raksha Competition 2021

Dear Parents,

Greetings for the day!

In times of Covid-19 pandemic, virtual classrooms have become the new norm and digital media has become an invaluable tool for the children and youth to continue their learning. Internet has become one of the prime sources of information, collaboration and social interaction across the globe. It is, therefore, the urgent need of the hour to educate the young minds to use the potential of Internet for their learning and growth and become smart and safe. CIET-NCERT in collaboration with Cyber Peace Foundation has been spreading awareness amongst children and young adults on the need to be safe, smart and resilient in the cyber space through the 'e-Raksha Competition'. The 'e-Raksha' Competition 2021 has been launched and the theme of the competition is:

'My Idea of a Safe and Peaceful Cyber Space'

Objectives of the competition

- To provide a creative and important outlet to children and young people who are currently confined at home due to Covid-19 pandemic, to reflect and share about being safe and responsible on the Internet.
- To inculcate Digital Citizenship and Online Safety Skills especially when students are spending much of their time in the digital Space for learning and social activities.
- To involve the young minds and give them platform to voice their ideas and suggestions.

Dear Parents,

Greetings for the day!

COVID 19 pandemic caused almost all CBSE schools to function in a virtual mode for most part of the academic session of 2020-21.

This, in turn, also necessitated deliberations over alternative ways to look at the conduct of the Board Examinations for the academic session 2021-22 in case the situation remains unfeasible. In the above backdrop and in line with the Board's continued focus on having advance provision of alternatives for different future scenarios, the following schemes are introduced for the Academic Session for Class X and Class XII 2021-22.

1. Academic session to be divided into 2 Terms with approximately 50% syllabus in each term.
2. The syllabus for the Board examination 2021-22 will be rationalized.
3. Classes IX-X: Internal Assessment (throughout the year-irrespective of Term I and II) would include the 3 periodic tests, student enrichment, portfolio and practical work/ speaking listening activities/ project.
4. Classes XI-XII: Internal Assessment (throughout the year-irrespective of Term I and II) would include end of topic or unit tests/ exploratory activities/ practicals / projects.
5. CBSE will facilitate schools to upload marks of Internal Assessment on the CBSE IT platform.
6. The Board will organize Term I Examination in a flexible schedule to be conducted between November-December 2021
7. The Question Paper will have Multiple Choice Questions (MCQ) including case-based MCQs and MCQs on assertion-reasoning type. Duration of test will be 90 minutes and it will cover only the rationalized syllabus of Term I only (i.e. approx. 50% of the entire syllabus).
8. Question Papers will be sent by the CBSE to schools along with marking scheme. ***
9. The Board would organize Term II or Yearend Examination based on the rationalized syllabus of Term II only (i.e. approximately 50% of the entire syllabus).
10. This examination would be held around March-April 2022.
11. The paper will be of 2 hours duration and have questions of different formats (case-based/ situation based, open ended- short answer/ long answer type).
12. In case the situation is not conducive for normal descriptive examination a 90 minute MCQ based exam will be conducted at the end of the Term II also.

AKSHAR JYOTHI

Dear Parents,

Greetings for the day!

"KALAM SMRITI" the memorial session organized by Vikram Sarabhai science Foundation to pay tribute and it to reflect the value and vision embodied by Dr. APJ Abdul Kalam as a president, a scientist, a humanitarian, a teacher and above all a true nation builder. "We should not give up and should not allow the problem to defeat us," said Dr. APJ Abdul Kalam, the greatest visionary who lived amidst us in our life time.

"AKSHAR JYOTHI" is an interactive programme meant for students, designed by the VSSF in association with National Council for CBSE Schools, to bring children closer to the world of words and innovative thinking. To mark *KALAM SMRITI* the death anniversary of People's President Dr. APJ Abdul Kalam, *Akshar Jyothi* brings in a whole new realm of creative engagement. This project aims to inculcate in children the spirit to identify and solve issues through innovative thinking.

Students should identify a problem that affects them or their neighborhood & propose a solution for the problem identified.

From among all the entries, top 10 nominations will get a chance to present their innovative solution to the problem they have identified in a national-level online meeting in front of scientists and students from all over India on July 27, during the Kalam Jayanthi commemoration.

The best presentation will get attractive prizes. Detailed notes on the selected issues and solutions presented will be submitted to the Union Government for follow up action. This is to ensure participatory role for children in building of the nation.
