Date: 2nd August 2023

Subject: Inauguration of STEAM Learning Platform

Dear Parents,

Greetings of the day!

This is to inform you that, in accordance with the guidelines of the National Education Policy, we are going to establish a curriculum-based creative learning platform, in association with SCHOLASYS EDUCATIONAL CONSULTANCY, to enhance Science, Technology, Engineering, Art, and Mathematics (S.T.E.A.M.) concepts of the students by using advanced Robotics kits and other software programs.

The STEAM program offered is tailor-made for students to understand the basic concepts of science, mathematics and engineering with an artistic touch using Robotics and AI as the interface.

As a part of the inter-disciplinary learning module, the initiative will give a boost to Smart Education wherein students of Grades 1 to 5 learn through the integration of arts and science with hands-on experience and are given the opportunity to experiment with a variety of subjects. It allows the young curious minds to connect with the subject and engage in physical effort, allowing them to improve, and involves a minimal cost relieving the burden on parents.

Kindly note that the classes of the A.I. and Robotics will be conducted during the regular school hours.

Subject: Incorporating AI & ROBOTICS (S.T.E.A.M.) in curriculum

Dear Parents,

Greetings of the day!

This is to inform you that, in accordance with the guidelines of the National Education Policy, we are going to establish a curriculum-based creative learning platform, in association with SCHOLASYS EDUCATIONAL CONSULTANCY, to enhance Science, Technology, Engineering, Art, and Mathematics (S.T.E.A.M.) concepts of the students by using advanced Robotics kits and other software programs.

The STEAM program offered is tailor-made for students to understand the basic concepts of science, mathematics and engineering with an artistic touch using Robotics and AI as the interface.

As per the guidelines of the National Education Policy, the initiative will give a boost to Smart Education wherein students of Grades 6 to 12 learn through the integration of arts and science with hands-on experience and are given the opportunity to experiment with a variety of subjects. With a minimal cost involved, it allows our aspiring next generation innovators to connect with the subject and engage in physical effort, allowing them to improve.

This will be an important step in our endeavour to teach students how to think critically, problem solve and use creativity, it prepares students to work in fields that are assured for growth.

Kindly note that the classes of the A.I. and Robotics will be conducted during the regular school hours.

Dear Parents,

Greetings for the day!

***"Feedback is a gift. Ideas are the currency of our next success.
Let people see you value both feedback and ideas."***

This is to inform you that the second Parent Teacher Meeting of the session, 2023-24, will be held to discuss the general points and progress of your ward.

The date and time of the Open Day are as follows:

- **Date – 19th August, 2023 (Saturday)**
- **Time – 8:30 AM onwards**

Kindly find below the time-slot allotted to you as per the Roll No. of your ward:

Roll No.	Time Slot	Roll No.	Time Slot
1-10	8:30 A.M. to 9:00 A.M.	31-40	10:00 A.M. to 10:30 A.M.
11-20	9:00 A.M. to 9:30 A.M.	41-50	10:30 A.M. to 11:00 A.M.
21-30	9:30 A.M. to 10:00 A.M.		

Students are required to accompany their parents in school uniform.

We look forward to an interactive and effective session in the best interest of our students.

Your support and cooperation are highly solicited.

With warm regards,

MRS. ASHU RANA

14th August 2023

Dear Parents,

Greetings of the day!

With the reference to the circular dated 4th August 2023, in accordance with the guidelines of the National Education Policy and CBSE circular regarding skill based learning, we are going to establish a curriculum-based creative learning platform, in association with Scholasys Technologies and Solutions Pvt. Ltd., to enhance Science, Engineering, Art, and Mathematics (S.T.E.A.M.) concepts of the students by using advanced Robotics kits and other software programs.

Students will get an inspirational experience of working on advanced robotics equipment in a systematic pedagogy designed after years of research and expertise from robotics scientists, engineers, teachers and students in the field of S.T.E.A.M. Education and Robotics.

We are happy to announce that the classes of the A.I. and Robotics have already commenced from 7th August 2023 and are being conducted during the regular school hours.

Kindly find the details of the program below:

Grades	Optional/Compulsory	Annual Fees
1 & 2	Compulsory	INR 3000/-
3 to 9	Compulsory	INR 3000/-
10 to 12	Optional	INR 3000/-

Kindly note that the payment can also be made in 2 (two) instalments.
