

Principal's Message

Dear Parents & Visitors,
Warm Greetings!

“A new academic session greets us with the promise to provide new avenues of possibilities and redefine our capabilities with education that inspires change.”

A very cordial welcome to the New Academic Year 2024-25!

With the inspiration of our Honourable Management, support of our key stake-holders, and governed by the cardinal principles of this great institution, the previous academic year has been a truly fulfilling one with our dear DPVNites bringing us glory on several occasions including academic achievements and beyond. It has given the DPVN family numerous reasons to celebrate and to learn, and most importantly, to be proud of our journey that we cherish. Besides many illustrious moments, recently, our students of Grades 10 and 12 brought home the distinction of remarkable academic performance in the CBSE Board Exam 2024, and made us enormously proud.

As a recognition of our continuous pursuit of excellence, the year has been studded with various noteworthy awards and accolades. The prestigious achievements like the award for ‘Upscaling STEM Education Programs’, being ranked as the No. 1 School in Co-Curricular Education, winning the “Best School for Holistic Education” award, and being ranked among India’s top 10 Pre-Schools under Design Thinking Leaders, are laurels that have glorified the crown of DPVN CBSE, Belapur. And, we truly believe that each academic year is a new height scaled, another dream realized with new targets set for the future.

So, looking ahead into the future, we are recharged with renewed vigour to preserve and promote the highest quality in nurturing the global citizens of tomorrow, and provide the most conducive environment for our learners’ holistic growth and development throughout their academic journey.

Functioning under the all-encompassing renowned D Y Patil Group, we are fortunate to be able to provide the right education to our learners from PG to PG, i.e. from Play Group to Post Graduation. Our world-class infrastructure, digitally enabled classrooms, robust STEAM integrated curriculum, panoramic customized Enrichment Program, sports facilities of international standards, comprehensive career guidance programs and workshops, etc. create an empowering atmosphere where our learners develop as creators and innovators who are empathetic, curious, articulate and driven by inquiry.

We also strive to instil the core values of respect, integrity, inclusivity, and compassion in our learners so that they can lead the ever-changing global platform with conviction and resilience. Our experienced and highly qualified staff stand as exemplary role models for our learners thereby keeping the ethos of our school shining bright.

DPVN CBSE, Belapur, been scaling new heights, reaching new horizons and exploring new avenues of learning with each passing year. We are gathering momentum to surpass our own achievements and the expectations of the stake-holders in the field of imparting quality education. We are committed to uphold the core values of humanity while crafting the future generations of global citizens who will be empowered to contribute positively and meaningfully to the society.

We thank everyone who has been a true partner to us in our journey to excellence, and look forward to your continued cooperation and support!

Warmest Regards,

Mrs. Ashu Rana
